Check Your Ad

The Check Your Ad Program takes the guesswork out of determining the appropriate requirements for deposit and lending advertisements so that you can ensure your advertisements are compliant before an auditor or examiner finds a violation.

The advertising requirements of Regulation Z and Regulation DD are convoluted. To ensure that an advertisement complies requires checking and rechecking of the regulations. Check Your Ad simplifies the process! The program walks you through the details of each regulatory requirement based on your type of advertisement. Answer a series of questions to generate a report to know whether the advertisement is compliant or needs revisions to meet regulatory requirements.
