

Independent Banks of South Carolina Application for Associate Membership

Thank you for your interest in becoming an Associate Member. Associate Membership is for those organizations and companies which have products or services that may be of interest to our member banks. Businesses enjoy increased visibility and expanded marketing opportunities while banks are receiving more options for top-quality, cost-effective products and services. By joining the IBSC, each organization has a unique opportunity to increase your exposure in the market and form valuable partnerships with member banks.

Membership entitles the member the right to attend the IBSC annual conventions and other meetings to which the member may be invited. The member's name will be placed on the IBSC mailing list as well as the IBSC's online directory online at www.myibsc.org.

Associate Membership does not entitle the holder to vote or to hold office in the Association. Associate Memberships are limited to those associated with the banking industry, as may be determined at the sole discretion of the IBSC.

Associate membership for 2016 is \$750.00. Dues are billed annually, January 1 - December 31 and paid in advance. Associate membership may be canceled at the end of each calendar year.
